Auerhahn Schuhplattler Verein is a not for profit organization founded in 1979 in Oley, Pennsylvania, for cultural, charitable and educational purposes. We promote and foster the heritage and culture of Bavaria, as well as other regions of Germany, through dance and music, specifically the Bavarian Schuhplattler. We rehearse, both adults and children, weekly at the Evergreen Country Club or in at a private location in the Oley area, and perform regularly in the eastern PA area.

Auerhahn Schuhplattler Verein has been selected to host the 2018 Mid-Atlantic Kinderfest on June 2, 2018, at the Evergreen Country Club in Fleetwood, Pennsylvania. We expect to welcome over 200 boys and girls and their families for this children's German Bavarian cultural festival.

Each children's group will put on a dance performance in their traditional Bavarian costumes as well as participate in other events, such as workshops to further educate the children through German culture.

We will provide each child with a free lunch, goody bag, commemorative pin, crafts and carnival style games to play with prizes. A raffle will be held for gift baskets and gift cards geared toward the children and their families. Our goal is to provide a fun cultural day for the children and their families at minimal expense to them.

We are asking that you support our efforts with a donation. Donations may be in the form of prizes, items for the goody bag, gift cards, and ad for our commemorative journal, or monetary. Every donor will be recognized at our Kinderfest in our journal that is distributed on the day of the event.

Thank you for your consideration. We hope to hear from you in the near future.

Sincerely,

2018 Kinderfest Fundraising Chairperson
